The View From the Chair

aka KIM'S KORNER

Over two years ago a delightful group of TV's/TS's/TG's/Significant Others/and friends got together to form a group called E.T.V.C. (Educational TV Channel). It was intended as a social and educational group for TV's/TS's/TG's and friends to meet and have a good time as well as help educate the public about the TV's, TS's and crossdressers in our community.

Unfortunately, this well-timed and much appreciated group is showing symptoms of the dreaded illness T.O.G.-itis. T.O.G.-itis is a disease that a lot of groups suffer. It starts with a few people having to do the work for the whole group while the members say "Let The Other Gal do it and I'm sure it will get done. Once this disease really sets in, it is almost impossible to stop.

The only known cure against T.O.G.-itis is a massive dose of V.T.H.O. (Volunteer To Help Out). ETVC has two standing committees that need your help now to prevent an epidemic of T.O.G.-itis: a Social Affairs Committee headed by Paula and Arden plus an Outreach & Education Committee headed by Robin. So before ETVC gets a terminal case of T.O.G.-itis, please remember the cure -- V.T.H.O.; that's Volunteer To Help Out. So please contact, convoke, summon, visit or signal Paula/Arden or Robin (or all three of them) right away. You may contact them at the July or August parties or the August Executive Committee meeting. But hurry! -- before T.O.G.-itis sets in too deep.

Treasurer

We need a new treasurer to serve until June 30, 1985. This year's treasurer-elect, Joanne, has decided that she is over-committed and can't take on the job. Please volunteer! It's not a lot of work but requires a commitment to attend each monthly party or function and one Executive Committee meeting each month. The treasurer should also be available by phone for paying bills by mail from time to time.

The outgoing treasurer, Robin Miller, is anxious to get on to her new position as Education & Outreach Committee chair. She has consented to hold over in the treasurer's office for a limited time, but can't do so indefinitely.

New Post Office Box

We have a new address! Please address all mail to:

Educational TV Channel (or ETVC)
P.O. Box 6486
San Francisco, CA 94101

This box is at the Main Post Office in San Francisco, a location that will provide ETVC's officers greater accessibility than the old box in Berkeley. We intend this to be our permanent mailing address.

Bylaws

Robin Miller has copies of the Bylaws adopted at the May Annual Meeting. Please contact her if you'd like a copy; they are free to members.

(continued on p. 2)

(continued from p. 1)

Bibliography

Robin is still working on her TV/TS Bibliography, which has become much more extensive than she originally planned. Copies will be available some day soon!

Newsletter delay

Due to the transition from last year's to this year's officers, the newsletter scheduled to be mailed after the May meeting was delayed. This is that issue. Production should be on track again and the next issue (Vol. 3, No. 1) is due out after the July party. Under the new By-laws, an issue is scheduled every two months instead of three, so you'll be getting more frequent and up-to-date news. Thanks for your patience.

Judge to airline: Give job back to transsexual pilot

CHICAGO — A federal judge yesterday ordered Eastern Airlines to reinstate transsexual pilot Karen F. Ulane, fired after her sex-change operation.

"I plan to go on flying," Ulane told reporters after the decision. She said she hopes to return to her job "as soon as possible."

U.S. District Court Judge John F. Grady also ordered the airline to give the woman, her back pay.

Grady said the airline's contentions that the pilot's presence in the cockpit posed safety hazards were "a pretext and sham of the first order."

Ulane, 42, sued Eastern in 1981 after the airline refused her request to return as a pilot. Eastern's attorney, David Brown, said he will appeal the decision.

The woman, formerly Kenneth Ulane, underwent the operation in 1980.

The airline's arguments were "not advanced in good faith, and but for being a transsexual and for having the operation and assuming a lifestyle of a woman, the plaintiff would not have been discharged," Grady said.

Herald Wire Services

Transsexual Karen Ulane, a Vietnam veteran and pilot for Eastern Airlines, could be back in the cockpit as a result of a judge's ruling that the airline must reinstate her.

TREASURER'S REPORT

Our net worth after the June 28th party is \$419.87! Whoopee!! We are finally out of the financial hole we have been in all year and even have some money to our name.

Three parties have passed since the last newsletter. On April 26 we had our Easter Bonnet party which 33 people attended. \$165 was collected in admission fees and \$25 was paid the Chez Mollet for room rental, resulting in a surplus of \$140.

We held our Annual Business Meeting concurrently with our 2nd Birthday Party on May 31st. About 40 people attended which was a gratifying turnout, but only 32 paid the \$4.00 fee for a total of \$128. I didn't approach people personally at this meeting (the way I did in April), choosing instead to rely on everyone to approach me in response to our exhortations, repeated during the evening, to do so. That turned out to be a bad move. Our expenses, for cake, ice cream sundaes and room rental, were \$150.94, so we lost \$22.94.

The Senior Prom occurred on June 28th. 36 people attended, contributing \$178 in admission fees. After deducting \$54.41 in expenses (for room rental, waiter's salary and streamers), a surplus of \$123.59 was realized.
