

Dear Louis -

June 4/82

Thanks so much for your letter to the editor (on p. 2) and also, your film review (on p. 7) of the present issue enclosed. I plan to review your pamphlet: 'Info' for f-m's' in an upcoming issue. The August issue will feature an article on a pre-op f-m gay man (E.J. Clark). Perhaps you already know him as he says he is corresponding with 2 other such f-m gay men?

I would like to write a personal letter to you at a later date as I am planning to leave on my 3-week vacation to the eastern states on June 12 - July 6. Next summer, I hope to be able to visit you (and other f-ms) in San Francisco & other cities in Southern California.

Take care now.
P.S. Please submit your free personal ad for inclusion in the next issue of the newsletter.

Your soul brother,
Duffin Raj
