Dear Walter:

First of all, thank you so much for your presentation at our FTM Get-Together on April 9. I felt it was highly successful and the audio tape of your talk will help reach those who could not attend. I hope you made some useful contacts for your research from the audience.

Here's the "Transsexual Yellow Pages" I promised to send. It is a couple years old, but still relevant, I think.

It was wonderful seeing you again, and I look forward to the next time!

*Warm regards,  
Lou*
