Scope and Contents of the Materials

This growing collection contains documents and artifacts from LGBTQ-related organizations at Texas A&M University and the Brazos Valley. The bulk of its contents are from the late 1980s to the present, but it goes back as far as the mid-1970s when Gay Student Services (GSS) began on the TAMU campus. This period includes GSS's court battle for official recognition on campus, the founding of Aggie Allies in

the nineties, and activities of the TAMU GLBT Resource Center in all its iterations. The papers contained within deal with the various organizations' origins, governing documents, and internal organizational planning. For organizations' activities in the community, see the LGBTQ Archive – Chronology Collection.
