Dear Lou:

Thank you so much for your participation in my study. I have enclosed some pictures of the event.

You have been very helpful in making contact with Joe in Wisconsin who helped me make contact with several others in Chicago and in Milwaukee. I have interviewed the two in Chicago and plan to interview Joe and the one in Milwaukee shortly.

I still have not contacted the people in Toronto but intend to do so.

Please give my best regards to Steve. I hope to see both of you again on my next trip to San Francisco.

Sincerely,
