Dear Lin,

First of all, I want to thank you very much for attending our FTM Get-Together on September 24. You turned a no-speaker no-program meeting into a lively, informative gathering. I was personally most pleased to hear how well the female-to-gay male presentations were received at the Benjamin Symposium, and how good phalloplasties are turning out these days.

You dashed out of the meeting before I could ask you for copies of the Symposium program and the hand-outs you had in the Case Western Reserve binder. I'd appreciate it very much. If you have no means of copying/sending the material, I could come by your office, take the information for copying and return it the same day.

It was wonderful to see you again, Lin, and I hope you'll be able to attend our future FTM Get-Togethers.

Warm regards,

Lou Sullivan
