CHI'S APRIL MEETING

Thanks to Deanna and GG Marilyn, we met "in the home" again last month. There was a fine group in attendance, and I think that everyone made a point to come to see the home we have been hearing about for so long. Deanna and Marilyn have practically rebuilt the house, and did a wonderful job with it. The kitchen and family rooms are fabulous, and show both a lot of thought, and work. About the only adverse comment heard was that Deanna should lower the house numbers below the eye line, so they can be seen from the street; makes the house easier to find! How about it, Deanna? Those who arrived to take the home "tour" were: Joan IL-6-C and GG Pat, Mitzi IL-8-C, Donna IL-11-S, Betty Ann IL-17-A, Elaine IL-22-A, Deanna IL-35-G and GG Marilyn, Cheryl IL-40-K, Kay IL-44-N, and Ruthann WI-14-L. Thanks again for having us, Deanna.

DREAM '78

By now most of you have received a "DREAM Package" from Marilyn, giving all the details of this year's wonderful week on the Oregon coast, coming up in September. Your Editor attended the last DREAM, in 1976, and highly recommends that you go this year if at all possible. If you didn't get a DREAM Package, write for one. Marilyn will be more than happy to send it to you. Details and address will be found at the end of this newsletter.

OUR MAY MEETING

The next meeting of CHI Chapter will be held on the third Saturday of this month, May 20th. Mitzi volunteered to be our hostess, at her home in Rockford. Directions to Mitzi's will be found elsewhere in this newsletter. Since there is a little distance involved in getting there for many of us, it's suggested that two or more form a car-pool wherever possible. Most of CHI members can get in touch with each other and make their own arrangements, but if our newer members have a problem in this regard, drop me a line and we'll try and work something out. As a special bonus, Mitzi is going to have her fabulous annual garage sale the week after our meeting, so she will have a lot of items on hand, including clothes and shoes, which may be of interest to you. If last year's sale was any indication, you won't want to miss the one this year. Plan to come and make your choices, all at reasonable prices! As usual, we ask that you return the post card so we will know whether or not to expect you. If your wife or girlfriend is coming with you, add "Guest" to the card.

SPECIAL GUEST

Vikki IL-48-M and GG LaVonne plan to be with us at our meeting this month, bringing with them Brenda, a GG friend, who is a beautician and cosmetician. Brenda expressed an interest in attending a meeting, and demonstrating make-up techniques and wig styling. She has 12 years experience as a beautician, and has owned her own shop for 2½ years. Brenda has done wig styling in California, Florida, and closer to home in Evansville, Indiana, where she trained make-up technicians for the Princess Nyla Cosmetic Salons. She recently attended a one day seminar on cosmetic make-up in St. Louis, and is scheduled for another session in June. Brenda comes well recommended by Vikki, and has impressive credentials. Make your plans now to attend this month's meeting, greet Brenda and gain from her expertise, and renew acquaintances with Vikki and LaVonne.

FUTURE SLIDE-SHOW PROGRAM

At our April meeting we continued the previous month's discussion of taking color slides of our gatherings, and personal activities, to form the basis for a future slide/tape show which would serve to introduce our Chapter to others. Everyone present thought that this was a good idea, and agreed to start immediately. We will be taking color slide photos at our Chapter meetings on a random basis, individuals will be taking personal photos in their own homes, and those who go "out" will have pictures taken whenever possible, to get as wide a representation as possible. We have tentatively set the October meeting as the time we will view whatever slides have been taken, to get a rough idea of what is available and could be used for our "show." We already have an offer from a professional in Audio-Visual Arts to assist us in developing a story-board, script, and the taping of the narration. Keep the October meeting in mind, and start taking those photos!

NEW CHAPTERS

As you may know, a new Chapter was recently formed in the Michigan area. We also have a group in process on the Ohio/Pennsylvania state line, and a good possibility of starting a Chapter in the southern Indiana/southern Ohio/northern Kentucky area. We also had the offer of leadership in starting a group in central Wisconsin, if only we can get enough Tri-Sigma members up there. Remember, this is your Sorority. The leadership of Tri-Sigma will do everything they can to help, but it is YOU who must take an active interest in forwarding the organization in your area. If you learn of a potential member, refer them to Tri-Sigma. In this way the national organization will grow, existing Chapters can be strengthened, and new Chapters started. Do what you can.

I hope to see all the CHI Chapter members at our next meeting, on the 20th!

DREAM IS BACK!

Dear Ladies:

DREAM is back!!! And in just a few weeks you well could be sharing with us an experience which will be counted among the most significant of your lifetime.

The self-imposed year's "vacation" for all those involved in the presentation of a DREAM provided a-needed "break" from the rather taxing though highly enjoyable pace. However, our mail provides evidence that "Absence makes the heart grow fonder", and we anticipate a record crowd this September!

For DREAM '78 we will retain our basic format which has proven so popular over 4 prior DREAMS. However, every girl likes a new dress, no matter how good the old...And so, DREAM '78 also will display some new "dresses" in the way of several new features to assure that those who have attended 1, 2, 3 and even 4 prior DREAMS will say upon departure for home: THIS WAS THE GREATEST DREAM OF ALL!

DREAM '76 provided us our first inter-continental "flavor", and it couldn't have been nicer than by the presence of Antonia from Malaysia and Judy from Australia. It's exciting to report that both have indicated their intention to attend DREAM '78, and Judy quite possibly will be joined this year by Dorothy and Trina of the very active Seahorse Club of Australia. How much fun it is to meet even for a few days with such good friends!

Now, I want to emphasize very clearly that the salutation "Ladies" is intended to reach not only TVs but also all of the "real" girls out there! We're so very proud that a number of DREAM'S greatest boosters are the beautiful wives and girlfriends who have attended our previous programs. To those of you who have not been with us before, we extend a special invitation to join us at DREAM '78. We believe you will be very glad that did!

Sincerely,

*Dream - Box 58
