

Flasher Ed's a gender bender!

● **BAFFLED** passers - by didn't know where to look when flasher Edwin Johnson went into action.

● For though he was totally naked beneath a fur coat, Johnson had **NOTHING** to flash.

● **P**olice who arrested Johnson in central London discovered he had undergone a sex change. He called himself Linda Gold.

● Officers charged him in both names . . . and filled in a question mark under Sex on the charge sheet.

● Johnson, 21, of Clapham, south London, was fined £25 by magistrates for insulting behaviour.
