Dear Jean,

Thank you very much for your kind and complimentary letter, and for your photograph. What a handsome (and sexy) man you are! That photo of me in the Gender Worker was so awful that I am sending you a much better one. This one was taken about two years ago, and because of my disease I've been deteriorating, but I like to remember myself in the better days.

Thank you, too, for sending the donation, but I am unable to use it. My bank tells me it's worth \$12, but that they will charge me \$10 to exchange it! So it's not very practical; therefore, I am returning it to you. If you want to send a donation, I think an "International Money Order" will be the way to go.

We recently held our 13th Female-to-Male Get-Together and had 20 FTM's in attendance. I trust by now you've received the copy of FTM Issue #11.

Again, Jean, my best regards and hope to hear from you soon.

Best regards,

Lou
