

August 9, 1989

Dear Lou,

I really appreciate you publishing my previous letter describing my work with the gender community and my interest in working with more female-to-males.

As a result of this, I have been working with two female-to-male transsexuals and, as well as providing assistance and support to them, have been learning a lot from them.

Thanks again!

Sincerely,
Luanna L. Rodgers, MFCC
