Dear Lou:

Enclosed is some xerox copies of pages of my book SEXUAL VARIANCE IN SOCIETY AND HISTORY (University of Chicago Press, 1976) where I mentioned some of the women who lived as men. Obviously there are others and I have been collecting them over the years.

I would be pleased to be put on your mailing list. Since I am resigning as dean as of next Sept 1 you might send the newsletter to my home, 590 Le Brun Rd., Amherst, N. Y. 14226.

Sincerely,

Vern L. Bullough
SUNY Distinguished Professor
Dean, Natural and Social Sciences
