Ms Frances

"So many beautiful women, and so little time." Frances Gibson, Oct. 24, 1981, upon being named Ms Fantasia Fair.

Frances passed away peacefully in her sleep this past winter. We'll all miss her so much but will always be carrying fond memories of Frances. She did so much for so many of us by openly sharing her experiences and knowledge and being such a good and sympathetic listener to us all. Her will and courage to live life to the fullest was an inspiration to us all and we know that Frances has left us having fulfilled her dreams.

The Gals are getting so good we are afraid we'll lose them to TV. So many people made such energetic contributions to make this all happen. But most of all we have to recognize our gals that got out there and performed for such an appreciative public.

This Outreach Benefit drew rave reviews from all, even our only gal that gets seasick. Mingling about with anticipation was amply rewarded by the ecstatic excitement of spotting the whales.

This is the Soul of the Fair. You're only half way there when you move and look great. The educational components of the Fair stimulate and help participants understand themselves and feel as great about themselves as they look. Professional experts and Fairgoers share and exchange a vast area of information, knowledge and experiences.

AEROBICS

Its great to look like something but we all have to learn to move within that girdle. This year's innovative program of Aerobics really helped us all loosen up and move more comfortably and gracefully.

Make-up Clinics, Wig styling, Comportment, and Beauty Classes start right off at the Fair to add to each participants image as a first step in getting it all together. We all seem to pick up a pointer or two during this process and it shows as the week goes on and the standards of presentation just seem to get better and better.

Registration

Participants arrived to the warm welcome of Registrar, Ms. Delores Carter and Fair Hostesses, eager to get them set up in their accommodations so that they could join into the program.

Orientation

The welcome and greeting of the local police department is always a great start to each year's orientation. A real Highlight. Then we go into the wide variety of programs offered during the Fair.

HISTORY

Some of us decided we needed something for this paraculture. We wanted a hospitable setting where we could conduct workshops and seminars, have boutiques, Fashion Shows and Talent Shows and for an opportunity to experience an active social life "en femme".

Provincetown proved to be such a place and in 1975 with a little seed money and large expectations we planned the first Fantasia Fair. Negotiations seemed endless. However, all the obstacles were surmounted and the Fair began October 15th with 30 participants. The program included a Fashion/Beauty Course, a Fashion Show, numerous mini-boutiques, a Film Festival and the Awards Banquet. It was a huge success. And it has grown each year.

Since that year there has been a Fantasia Fair every October in Provincetown. This year will be the ninth. Participants now come from all over the United States, Europe, Canada and Mexico. And each year seems better than last.

Each year a different coordinator and staff works to make the Fair a reality. Among those without whose hands and hearts we would not have had Fantasia Fairs are Betsy Shaw, Paula Neilson, Linda Franklin, Rowena Burke, and Ariadne Kane. Space does not permit us to thank in print the many people who have been gracious and helpful to us.

PREFACE

The 8th Annual Fantasia Fair was held in Provincetown, Massachusetts from October 15th to the 24th, 1982. Each Fair develops a character of its own and this year the theme that seemed to emerge most was "a sense of community." So many people gave of themselves to make each of the many events and activities a real joy for us all. The delight of sharing experiences with new found "sisters" and renewing long standing friendships and getting out and doing things together created 9 full days of the highest, most intense level of excitement. Again we all seemed to learn so much and grow so much in such a short period of time. And such Memories. Well, here to keep it all fresh in your mind is a pictorial selection of some wonderful moments from the 1982 Fantasia Fair.
