

## WOMAN LIVES AS A MAN FOR NINE YEARS.

NEW YORK, July 6.—Charged with disorderly conduct in masquerading for nine years as a man, Miss Augusta Sleb has been sentenced to the workhouse for five days. Two policeman came across the unconscious form of what appeared to be a man at Sixty-second street and Broadway on Saturday night. The "man," apparently overcome by heat, was taken to Roosevelt Hospital. There it developed that the patient was a woman. She had been working for years at man's occupations.
