**\*WANT TO KNOW HOW TO SHOP SMART?\***

Color is the main reason women buys new clothes and leaves them in their closet with the price tag still attached. Then to everyone's amazement will announce, "I have nothing to wear."

Have you been promising yourself the opportunity to save money by having your colors done? Guess What? Now is the time for \$25 Wives/SOs can have their coloring done on Friday at the Queen Mary. Time is a problem. We will not have the space to schedule this for more than one session. If you have ever consider having your coloring analyzed, DO NOT WAIT a professional will be available at The Queen Mary. Make your reservation now.

Once you have been colorized you will never again buy clothing, because you found it on sale, unless the color is in your color book.
