Dear Folks,

I will be closing down my practice of Psychology effective December 14, 1988. This closure will be for an indefinite period of time, perhaps permanently.

After Dec. 14th the telephone number above will ask that you write to me at a new address:

584 Castro Street, Box 349
San Francisco, CA 94114-2588

However, after that date, no new services or appointments will be made. That address is for those who wish to have prior records forwarded to another therapist.

Thank you,

Paul A. Walker, Ph.D.
