As an accredited Acute Care Hospital, our small size (28 beds) can provide the individualized attention sometimes lacking at other institutions.

Your private physician will be able to schedule your visit at your convenience. We offer the highest quality of care catering to the individual well being of the elective surgical patient.

Pacific Coast Hospital
The Bay Area's newest and
most innovative care center,
offer facilities rarely found
in comparable hospitals.

All the amenities of a Bed
and Breakfast Inn.
Continental breakfast for
late risers. Gourmet meals with
wine and champagne.

Superior nursing care with
an emphasis on all of your
needs. Our attentive and
courteous staff will assure your
comfort and well being.
