Dear Dr. Coleman:

It was really wonderful participating in your study of the female-to-male gay man, and talking with you and Walter Bockting earlier this month.

I have given your phone number to several "others" I know and hope they will contact you. One is exclusively gay, Joe in Madison, Wisc. The others are bisexual: Khalil in Virginia; Kyle in Connecticut; Andrew in Santa Rosa, Ca. If you ever return to the Bay Area, I will try to put you in contact with the two bisexuals I mentioned to you - Steve in Union City, and Terry in Hayward.

Again, thank you so much for doing this study and please let me know if I can be of any further help. Oh, yes, and please let me know when/where you've published it!

Yours in liberation,

lou

Return letter

Dear Lou

Thanks for all your help with my study. It was a great pleasure meeting you.

I am interviewing 2 men in Chicago this weekend as a result of my contact with your friend in Chicago. Thanks again. Best wishes etc
