Dear Lon —

Here is a draft of the article which I hope will be published in the Journal of Psychology & Human Sexuality - sometime this year. If you have any questions, comments, changes etc - please let me know -

I hope all is well. I just got back from the Netherlands and saw Walter. We are working on writing up our study of 7 cases in the Netherlands. We are

also ready to start a study of  
transsexuals involved in relationships  
with other transsexuals.

We are also going to start a  
follow-up study of TS's.

Then, there is the study here  
in the U.S. on more gay &  
bisexual FEM TS's. I hope  
to start interviewing now and  
then we'll publish that as a  
separate study.

So life goes on. Bray as usual  
I may be in SF in Feb, in that  
event, I'll try to reach you

Thanks again for all your wonderful  
help in putting this article together.  
I hope you like it.

Sincerely -  
E.

O.S. Walter sends his  
warmest regards.
