

Transpeople Are
NOT
Disposable People!

Deborah Forte was murdered just for being different.

Did you know...

Mr. Michael Thompson has been charged with the May 15, 1995 **stabbing death of Deborah Forte.**

Did you know...

Deborah suffered 3 stab wounds to the chest -- each 1/2 a foot deep, numerous slash wounds across her chest, a smashed nose, multiple severe blows to her head and face, and partial strangulation.

Did you know...

Mr. Thompson allegedly confessed to a coworker that he killed Ms. Forte when they went to her residence, began "messing around," and he discovered that she had a penis.

Deborah Forte's murder is not an isolated incident. It's one of a continuing series of murders of transpeople because they are gender-different.

Transpeople are NOT disposable people.
