Dear Lou:

Mucho gratias for your letter and the latest issue of "F2M Newsletter". It looks better and better all the time (really professional-appearing) and is filled with gems of information and news of interest to F-M TSs. It is, without a doubt, a communications resource that - together with Lou Sullivan's fine "FTM" newsletter - will help to fill the gap left when I stopped publishing "Metamorphosis Magazine" (and previously "Metamorphosis" newsletter) in late 1987.

I am enclosing a cheque for \$20 towards the cost of a subscription and two ad insertions (enclosed). I wish you continuing success in your worthy endeavors to help the F-M TS community, and I do hope that your "brothers" are grateful for the invaluable efforts both you and Johnny (Founder of F2M in New Jersey and publisher of "Rites of Passage") are devoting to their cause. Other than David Maxwell - President of the Chicago Gender Society, Dr. [redacted] - a psychotherapist with Sexology Associates and head of a support group for F-Ms ("ANDROS"), and myself - Director of GENDER WORKER, you two are the only resource workers who cater exclusively (or primarily) to the pre-op F-M TS and the "new man" (post-op). Furthermore, you and Johnny are the sole publishers of a current newsletter for "the guys". I am gratified that I have been able to help make known, to professional providers and TS consumers, both your and Johnny's rare resources. Keep up the great work!

Please publish this letter in your next issue. I am really sorry I won't be able to finally meet you in San Francisco this April (as I had originally planned) but hopefully, our paths will cross one day soon. Take care for now.

In Brotherhood,

Rupert Raj, Director
GENDER WORKER
