Dear Alice:

Thank you so much for your kind letter of July 2 and your order. Enclosed are 2 copies of my book. I am really proud of it.

Things are going well for me. After 6 years of living full-time as a man, I've finally had "genitoplasty" (utilizing the enlarged clitoris as the small penis) last April. What a relief! I was afraid I'd never get it, as Laub's program flatly rejected me on my written application only (without ever seeing me) simply because I identify as a gay man...even though they accept M-F lesbians as a matter of routine. Got Paul Walker and Wardell Pomeroy to write me the required 2 letters of referral and Dr. Michael Brownstein here in S.F. did my surgery - I was the second one he'd done. I was afraid I'd have to go to Zimbabwe or something!

Thanks again for your order. Hope you like the book. I'd love to hear your comments on it.

Warm regards,
