Dear Rupert,

Hope I'm getting this photo/"curriculum vitae" to you in time for the April issue (HA HA), but you didn't give me very much notice. I realize my one-page became two, so edit as you will. Thank you very much for honoring me in this way. It just goes to show that every bit we do does make a difference.

I do feel kind of sad that Metamorphosis had to go partly M-F. I took certain pride in thinking that "we" F-M's could support our own magazine. But keep us at least 50%, if not more, OK?

Please give our "FTM" Get-Together group mention in an upcoming issue. I'm enclosing the notice for our meeting #5. We're "small time" (had 16 FTM's at our last meeting, though!), but a small group is better than no group. Those interested can contact me at my mailing address: [REDACTED] Haight St. [REDACTED], San Francisco CA 94110.

Thanks again for all your work, Rupert.

Until next time,  
Yours in liberation,

Lou Sullivan

P.S. I'll distribute copies of your organization/newsletter fliers at our FTM meeting next week.
